

Logan Lake Secondary School

Attention: Principal

As a resident of our lovely town, I would like to honour a student in the graduating class of Logan Lake Secondary School with a \$1000 bursary.

I have created an annual bursary at Thompson River University specially for the graduating class of Logan Lake Secondary who are interested in pursuing a career in Healthcare or Business.

Please post this bursary for the students and/or mail out to the parents of each graduating class by the deadline that TRU sets each year, usually in April or May prior to graduating.

I wish the lucky student all the best in their future career, and I hope this bursary helps make a difference.

Sincerely,

Trevor J. French

**Former Paramedic and Businessman.**

## Logan Lake Secondary Bursary
