

To Whom It May Concern:

RE: Kamloops Blazers Scholarship 2019

As in years previous, the Kamloops Blazers Scholarship and Education Society will award each secondary school in the Kamloops area with one scholarship in the amount of \$1000.00.

We ask that your school submit all applications to the Kamloops Blazers Scholarship and Education Society and we will select a recipient based on the following criteria:

- demonstrates community/school involvement
 - athletic participation
 - reasonable academic standing

The recipient will have 24 months in which to present the Kamloops Blazers with proof of registration at a post-secondary institution. At that time, we will release the cheque to them. All information regarding collection of the scholarship will be included in the letter presented to the recipient.

We ask that schools outside of Kamloops to present the scholarship on our behalf. A letter to be presented to the recipient will be sent to the school once we have selected a recipient.

We will do our best to send a presenter to the schools in Kamloops. If someone is not able to attend the school's ceremony, we will let you know. We will then send a letter which we will request the school to present to the recipient on our behalf.

Your help with this is much appreciated. Please let me know if you have any questions or concerns.

Sincerely,

Trudy Hicks
President
Kamloops Blazers Scholarship & Education Society

BLAZERS KAMLOOPS BLAZERS EDUCATION & SCHOLARSHIP SOCIETY AWARD

The Kamloops Blazers Education & Scholarship Society invite applications from graduating students who intend to pursue a post secondary education. This award is available to students who are involved in community/ school activities and maintain a minimum C+.
